By Plane:

Florence Airport offers a convenient shuttle service to reach the station of Santa Maria Novella. Alternatively you can take a taxi (trip is approximately 15 minutes) that will leave you at the entrance of our building.

From Pisa, Galileo Galilei, we recommend to take the train that connects the airport with the city of Florence. The trip takes about 60 minutes and takes you directly to the Florence station Santa Maria Novella, where we recommend taking a taxi to the Palace.

Private car: with private driver can always be booked on request through our reception, both from / to the Florence or Pisa airport.
